Mount Sac Relays to Be on TV

The nation's outstanding college track stars will be seen in action next Saturday, 1 to 4 p.m., Channel Eleven, when KTTV presents a special live telecast of the Mount San Antonio Relays.

This is the same track that was chosen by the U. S. Olympic team for training last year—it's one of the world's fastest.

Ten American and seven world records were exceeded or equalled in Mount San Antonio stadium during last year's relays, and more records are sure to fall this year.

Among the college stars who will compete are Jim Beatty, Laszlo Tabori, Ernie Cunliffe, and Dennis Johnson. The Canadian "wonder boy", Bruce Kidd, also will be in competition and there'll be top relay teams from USC, UCLA, Arizona State, Oregon State, San Jose State and many others.

Bill Welsh, KTTV director of special events, will call the action and Bob Hiestand will direct for the station.
